

Story Workshop

"I need to make a book."

"I'm wanting to do that. I'm wanting to help you."

"Oh, okay. You can help me, I'm the author."

"I'll be the illustrator!"

"Yeah!"

"This story is about us. You are the big sister and I'm the little sister."

"I need to put this book together..."

Teacher: We have a book that has some ideas about book making if you needed some inspiration (teacher gives to Kira)

"Oh yeah, we need to punch some holes...if I need some help writing (the words) you (the teacher) could help me."

Teacher: I can help you. I'm also wondering how you came up with the plan to work together on this story?

"Well, she's good at writing the words and I'm good at writing the pictures, so she's the author and I'm the illustrator!"
